ORDER

GREGORY H. WOODS, United States District Judge:

Following a hearing held on August 25, 2022, the Court found the defendant violated the conditions of his release and that there was probable cause to find that he had committed a State crime. The Court further found that the defendant was unlikely to abide by any condition or combination of conditions of release and that there was no condition or combination of conditions that would assure that the defendant would not pose a danger to the safety of any other person or the community. Accordingly, the Court orders that the defendant's pretrial release be revoked and that he be detained.

The defendant is remanded to the custody of the U.S. Marshal.

SO ORDERED.
